- Athletes may only be on one team.
- All entries must be identified with a team name.
- Each team shall have a non-playing coach responsible for the line-up and conduct of team during competition.
- Team rosters may have a minimum of five players and a maximum of twelve players.
- Team rosters MUST be the same at Regional Competition and State Competition.
- Unified Sports® teams shall consist of a proportionate number of Special Olympics athletes and Unified Sports® partners (non-disabled peers). If this needs to be adjusted, the line-up shall never have less than three Special Olympics athletes on the field at any time.

- Wheelchairs and/or walkers are NOT allowed unless the entire team is made up of wheelchair athletes - to compete in the tournament there must be at least one other wheelchair team. This rule is in place for the safety of all non-wheelchair participants.
