

Fundraising Opportunities for Special Olympics Colorado Teams, Individuals and Local Programs

Hello!

Thank you for considering hosting a fundraiser for your school, team or local program!

One great way to raise money is to create a fundraising website and solicit donations. There are also several restaurants and businesses throughout Colorado who would love to partner with your group to build community in their neighborhoods and raise funds for your program.

In this packet you will find several quick and easy ways to raise funds. Should you need any additional help or information, please don't hesitate to reach out to Megan Toohey, Vice President of Development at MToohey@SpecialOlympicsCO.org.

Thank you so much for your support of our programs and athletes!

Run an Online Fundraiser:

Anyone wishing to raise funds for their specific Unified Champion School or local program can do so by creating an online fundraising page. All donations will come into Special Olympics Colorado's main office and will then be distributed to each program's specific account.

The donations that come through the site will be tax deductible. Donors will receive an email immediately with the tax deductible info and then another thank you letter from SOCO via mail. Additionally, we know where the funds come from so that they can be automatically directed into your specific accounts.

Steps to set-up a fundraising page:

1. Click [here](#) or on link below:
<https://www.coloradogives.org/index.php?section=content&action=fundraising&ret=section%3DmyAccount.myCampaigns%26action%3DnewPreLoaded%26fwID%3D27234>
2. Create a log-in/account
3. Search for "Special Olympics Colorado"
4. Click on "fundraise"
5. Follow the steps to set-up the fundraising page
6. Click submit – that will then send the page to me for approval, which I will do immediately. From there it takes a few hours for the site to be "live" and then you are up and running!
7. Email Megan Toohey at MToohey@SpecialOlympicsco.org or your Regional Manager to let them know that you have created a page so that funds will be directed correctly.

Minutes that Matter

Minutes that Matter is a one minute fundraiser for any school's Special Olympics program on campus. During the designated one minute, classrooms will collect donations from students and teachers. 100% of the money raised during the Minute that Matters will go directly fund Special Olympics activities in that school.

Step #1: Get Approval!

Talk with your administrators and teachers at your school and get them on board. Reach out to any student groups/clubs on campus that are willing to help! Go challenge an administrator or leader on campus to do something wacky, creative or fun if the school raises a certain amount.

Step #2: Promote the event!

Create posters and flyers to promote the event. Put up posters, promote on social media, make announcements over the school intercom and remind students to bring in their loose change each day all the way through the one minute challenge!

Step #3: Plan to Collect the Money!

Provide each teacher/classroom with an envelope or paper bag with a note explaining Minutes that Matter and give a timeline in which the fundraiser will be taking place. If you are planning on doing the Minute that Matters during an assembly make sure you have plenty of bins or bags to collect money from all students.

Step #4: Execute the Minute that Matters!

Either during classroom time or at an assembly, make an announcement and count down from 60 seconds over the school intercom. While this is happening the envelopes and donation bins will be travelling around collecting donations.

Step #5: Send the Money to Special Olympics CO!

Collect the money from each participating classroom. All money collected must be sent to Special Olympics Colorado (384 Inverness Parkway, Suite 100 Englewood, CO 80112), attention Paige Clough or contact Paige to pick-up the funds.

Papa John's Pizza

- Dollars for Dough
 - One week of every month or on a regular schedule, Monday through Wednesday, Papa John's will donate a percentage of the sales of all products purchased at Papa John's to the school fund of your choice (i.e. a Project UNIFY team or program). Students, family, friends, or faculty can simply peel the receipt from their pizza box, stick it to the Dollars for Dough Flyer Sheet and return it to the child's teacher or coach. The school coordinator collects, then returns the Flyers, with receipts attached, to their local Papa John's.
- Coupon Brochure Fundraiser
 - Papa John's has a coupon brochure that has 9 pizza coupons including a Free Small Cheese Pizza coupon and 8 other great deals on Papa John's products! The school or program pays Papa John's a nominal amount for each brochure. Athletes and students sell the Papa John's coupon brochures for \$5 each. The Free Pizza coupon alone more than covers the \$5 price and is a great selling point for

the students selling the brochure! Once the selling is complete your school simply keeps ALL the cash.
